# Organic Winery Visit with Tasting

*Visit a small family run boutique winery followed by a wine tasting lunch or dinner*

The tour will start from the experimental vineyard with 40 rare ancient Tuscan grapes; Roberto the owner and wine producer will introduce us about his dream started in 1994 to preserve and save local grapes near extinction.

The winery is totally organic and produce: Rosé, Chianti, Vinsanto and a small quantity of 3 single grape wines made from the experimental vineyard.

Maria Grazia, Roberto's wife and excellent cook, will prepare for us a traditional 4 courses tuscan meal with ingredients from their garden or local organic producers. Each course will be paired with wines including the Chianti winner of the 2017 Gold medal World Wine Awards by Decanter.

I was here for a month for a yoga training and I feel so blessed to be able to experience Tuscany in such a beautiful environment. The family was so accommodating and hospitable, I will remember this for the rest of my life. The entire property was amazingly charming. I will miss it so dearly.

Thank you so much for cultivating such a profound experience.

With Gratitude and  
Love,
